

RABIES

The Hunted Hunter

THE HUNTED HUNTER "NINE LIVES"

Feline Rabies Risk Assessment Test

	YES	NO
1. Do you ever let your cat roam outside?	<input type="checkbox"/>	<input type="checkbox"/>
2. Have you ever seen a skunk, a raccoon or a fox in your area?	<input type="checkbox"/>	<input type="checkbox"/>
3. Have you ever seen or heard bats in your neighbourhood?	<input type="checkbox"/>	<input type="checkbox"/>
4. Has your garbage can ever been pilfered by an animal?	<input type="checkbox"/>	<input type="checkbox"/>
5. If there are half-eaten fruit or food remnants outside, will your cat sniff it or touch it?	<input type="checkbox"/>	<input type="checkbox"/>
6. Is your cat due for its rabies vaccine?	<input type="checkbox"/>	<input type="checkbox"/>
7. Does your cat ever come into contact with other outdoor pets?	<input type="checkbox"/>	<input type="checkbox"/>
8. Is a screen door or window the only barrier between your cat and the outside world?	<input type="checkbox"/>	<input type="checkbox"/>
9. Was your cat's last visit to the vet more than one year ago?	<input type="checkbox"/>	<input type="checkbox"/>
TOTAL		

How many lives does your cat have left?

If you have answered **YES** to **any** of the questions above, your cat is at risk of being infected with the rabies virus. Check out the facts on rabies and your cat on the backside of this risk assessment sheet. Speak with your veterinarian about reducing your cat's exposure to rabies and how you can protect your cat and yourself from this fatal disease.
